Payment: _____

[Payment]

- Payment is as follows.

Payment = Basic cost × (1 + "Fill percentage") × number of copies

- The basic cost depends on the type of paper.

Type of Paper	Basic Cost
Plain paper roll	\2,000 per copy
PX/MC Photo Paper roll <Glossy thick>	\4,000 per copy
PX/MC Photo Paper roll <Semi-gloss thick>	\4,000 per copy
PX/MC Premium matte paper roll	\3,000 per copy
MC/PM Cloth roll <Fireproof>	\10,000 per copy

- The Center staff will decide the "Fill percentage".

Less than about 50%	—
More than about 50%	70% extra charge

- Even if you print one AO paper, it will be charged as one BO paper printing.
- If you use your own paper, the payment per copy is:

Payment = Basic cost × "Fill percentage" × 0.7
